

Dear Dundee Sportsman's Club Member

This is to inform you of our annual club meeting and renewal of memberships are due. This will be held on March 22, 2026, at 11 am. We encourage you to attend and discuss the old and new. If you already sent in your membership dues, please plan on attending the meeting. Lunch will be served after the meeting.

Update to all members: The club is accessible to members by calling one of the board members which will be posted on the website and on the clubhouse door. We will be posting shooting hours for the gun range. Those are 8am-5pm. Please do not shoot before or after those hours. Also, please do not shoot if there are events or functions being held. Please check for people around the club before shooting. [Also follow us on Facebook.](#)

In 2025, we did some repairs on the pavilion, and some upkeep of the grounds. We had to replace the bar cooler. We have the 2 trap houses installed.

In 2026, We are looking at getting the throwers, electrical and lanes put in. Hopefully to be fully operational by Spring/summer. Still needing additional funds to finish this project. Looking to enclose the pavilion. Adding a gate by the edge of the ball diamond near the bike trail. The bar in the pavilion needs repair.

Your dues will help support the payment of the property tax (approx. \$4500), insurance (approx. \$8000), electric (approx. \$2500) and septic pumping(approx.\$1300) Cole Oil(approx.\$1800). Members get discounted rates for rental of club house and pavilion. Also, use of the shooting range.

Even if you can't support the club with additional donations, we can always use your help at some of our events.

If interested this year in helping at any of the functions, please email dundeesportsmensclub@live.com.

- Functions we have yearly: 2nd weekend in October is our Car and Craft Show.
- 2nd weekend in December is our Chili Cook Off and Gun Raffle.
